On July 18, 2003, the Utilities Board (Board) issued an order opening an inquiry to review the Board's purchased gas adjustment (PGA) rules. The Board commenced the inquiry to investigate whether changes should be made to the PGA rules and to allow interested persons the opportunity to file comments and propose changes. On January 7, 2004, the Board conducted a workshop to discuss the issues raised by the participants and to answer questions from the Board. The Board has considered all of the comments and issues raised by the participants in this inquiry.

On May 21, 2004, the Board issued an order in Docket No. RMU-04-3, In re: Revisions to Purchased Gas Adjustment and Reserve Margin Rules [199 IAC 19.10 and 19.16], in which the Board proposed amendments to its purchased gas adjustment and reserve margin rules based upon the results of this inquiry.
